

⌚⌚⌚ **A TIME CAPSULE FOR ANCIENT EGYPT** ⌚⌚⌚

Would it not be cool to find a time capsule from ancient times? Well, the chances of us finding one here in Kamloops are remote, so we are going to create our own!

📄 **ASSIGNMENT** 📄

In groups of four, create a time capsule in which you will include evidence of political, cultural, economic, and technological developments that were important to the survival of Egypt.

- Ω Include at least two pieces of evidence per category
- Ω All group members must agree on the items being responsible for contributing to longevity and greatness of ancient Egyptian civilization.
- Ω Each member should have responsibilities for collecting documents and artifacts.

○ ↗ **ASSESSMENT** ❖ ■

- Ω A "day of discovery" will be held where each group displays its time capsule and explains its rationale for selecting the documents and artifacts.
- Ω Group members will complete a group and self-assessment.
- Ω Teacher will evaluate presentation and time capsule.
